

**OPERATING THROUGHOUT THE PERMIAN BASIN AND
DELAWARE BASIN IN TEXAS AND NEW MEXICO**

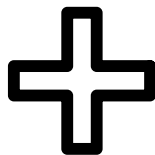

ABOUT US

VIP Spooling is a third-party, full-service spooling company. Our company provides experienced ESP spooling and technician services, which offers our clients competitive pricing.

SERVICES

We offer ESP technician services for equipment laydowns, ESP cable installs/pulls, capillary tubing line installs/pulls, and hotshot services.

BENEFITS

All equipment is inspected and serviced regularly to provide reliable services that reduce operating costs.

WHY VIP SPOOLING

Our team has a proven track record with zero reported incidents and almost a decade worth of experience and knowledge in spooling and ESP technician services.

"We strive to provide clients with unbeatable customer service and support from experienced people who understand and know the business."
